## TASTERS & BLOCK COURSES

### Adobe Software Workshops

#### 1 DAY TASTER

Learn to master the most popular design software in the world, whether it is graphics, layout, video, or animation.

Premier Pro | InDesign | Affect Effects | Photoshop | Illustrator | Animate

**\$75 pp includes GST**

### HTML & CSS

#### 1 DAY TASTER

Our popular web development STAR classes are back for 2024.

Combine tech & design and create beautiful websites.

**\$75 pp includes GST**

### BESPOKE

You name it, we can do it! Want a 2-day beginner class in photography, which includes photo-editing in Photoshop? No problem! Get in touch for bespoke options. Each block class is without credits meaning complete freedom in teaching and assessment.

## HOLIDAY PROGRAMMES

### Animation - 2D & 3D Courses

#### 3 Days

Whether 3D animated design using Maya software, or 2D production in Adobe Animate; learn the skills used in industry (pre-production, software) and make your designs come to life.

Equipment such as high spec computers on used in campus labs, as well as Wacom Tablets allowing for digital pen illustrations. The course is suitable for students with no prior experience.

9am - 3pm each day

**3 Days pp \$225.00 includes GST**

### Filmmaking

#### 4 Days

This exciting programme is suitable for students with no prior experience. Learn the art of filmmaking from pre-production techniques and storyboarding, camera basics through to post-production and editing.

Make-up SFX classes provide the extras for that horror movie epic screened to the class during the last day.

9am - 3pm each day

**4 Days pp \$260.00 includes GST**

### Game Design

#### 4 Days

Design and create assets for your very own video game using industry level software, Maya & Unity. Design, model, build, test, play. The course looks at a range of techniques and skills including 3D modelling.

No prior experience required.

9am - 3pm each day

**4 Days pp \$300.00 includes GST**

### Online Delivery

A select range of remotely applicable courses run each holidays helping students that prefer that element of distance, or for students based away from our campus locations.

Check our website for Short Courses offered each holidays, comps and more:

**yoobee.ac.nz/short-course/school-holiday-programmes**

## NCEA CREDIT COURSES ON CAMPUS

### 2D Animation

**9 Weeks | 9 Credits | Level 3**

Bring your animation to life by combining audio and visual to create motion graphics using Adobe After Effects, Illustrator and Photoshop. Learn how to plan, prepare and develop 2D animation like a boss. You'll learn idea development techniques, create moodboards and a storyboard. You'll create animation assets using the paint tools in Photoshop and scalable vector graphics using Adobe Illustrator. In After Effects, you'll learn how to create keyframe animation and use motion paths, easing and parenting tools to open a range of animation styles. You'll finish up by rendering your animation to a video file that can be used in film and games.

**Mondays - 9am - 3pm**

**9 Weeks pp \$750.00 +GST**

| UNIT  | LEVEL | CREDIT | DESCRIPTION   |
|-------|-------|--------|---|
| 29791 | 3     | 2      | Capture and prepare digital media for integration into other applications |
| 29796 | 3     | 7      | Collaborate effectively with others in a digital environment              |

### Character Design

**10 Weeks | 10 Credits | Level 3**

Combine your visual design skills with storytelling to create your own character design. You'll learn how to use Adobe Photoshop like a pro 2D artist using Wacom tablets provided for in-class use. This programme covers the fundamentals of character design, including dynamic sketching techniques and effective use of colour and light. You'll develop a character profile and story, plan your illustration project, and apply techniques for finishing a digital illustration to a high standard.

**Wednesdays - 9am - 3pm**

**10 Weeks pp \$750.00 +GST**

| UNIT  | LEVEL | CREDIT | DESCRIPTION  |
|-------|-------|--------|--|
| 29791 | 3     | 2      | Capture and prepare digital media for integration into other applications                                    |
| 29790 | 3     | 3      | Apply digital tools to create and monitor a project plan   |
| 29793 | 3     | 5      | Investigate, plan, design and create digital outcome solutions to meet the requirements of a specified brief |

### Game Development

**10 Weeks | 11 Credits | Level 3**

Learn about game structure and interface design to build an educational game using the Unity realtime development platform. This course includes an introduction to professional game design and development. You'll learn coding fundamentals using the C# language, developing a programme to control gameplay and interaction. You'll generate draft design concepts then develop your code in the Unity game engine. By the end of this course you'll complete a simple, playable level and package it for distribution.

**Wednesdays - 9am - 3pm**

**4 Days pp \$260.00 includes GST**

| UNIT  | LEVEL | CREDIT | DESCRIPTION  |
|-------|-------|--------|--|
| 18741 | 3     | 6      | Create a computer program to provide a solution                            |
| 18750 | 3     | 5      | Produce a learner focused electronic training package for organisation use |

## NCEA CREDIT COURSES REMOTE

## TASTERS & COURSES

### Beauty Therapy

#### 1 Day Taster

A day filled with lots of hands on practical fun while students experience being a beauty therapist for a day! Students will learn about nail care and have the opportunity to receive and perform both a manicure and pedicure. Teenage years can be challenging for those who don't understand skincare and everyone wants healthy glowing skin. Students will get to practice facial routines and make a scrub that they can take home to begin their own personalised skincare regime.

#### Topics Covered

Manicure; Nail shape, mask & moisturise | Pedicure; Nail shape, mask & moisturise | Nail polish application  
Customised facials | Facial scrubs | Masks

#### \$85 pp plus GST

*Which includes a nail file and take home products*

*NZQA credits do not pertain to 1 Day STAR courses*

### Makeup Artistry

#### 2 Day Course

Students will be busy from start to finish learning all there is to know about applying flawless foundation, contouring and highlighting, correct blush placement, defined brows and creating the perfect pout. There are lots of tips and tricks for students who want to enhance their natural beauty and build confidence in how they present themselves. All of this takes place in a supportive & fun teaching environment where we recognise that true beauty comes from within.

#### \$170 pp plus GST

| UNIT  | LEVEL | CREDIT | DESCRIPTION                                       |
|-------|-------|--------|---|
| 27644 | 3     | 4      | Demonstrate knowledge of makeup and design theory |

### Behind the scenes to Beauty

#### 2 Day Course

Come and join us for 2 amazing days, filled with exciting activities where students will learn about what goes on behind the scenes. You will gain knowledge of how to effectively use the tools and equipment which are used in make-up and skin care services. Make new friends and experience a taste of the "Behind the scenes to Beauty".

#### \$150 pp plus GST

*Which includes a nail file and take home products*

| UNIT  | LEVEL | CREDIT | DESCRIPTION  |
|-------|-------|--------|--|
| 28946 | 3     | 4      | Demonstrate knowledge of tools, equipment and safe operating procedures used in make-up and skin care services |

## BLOCK COURSE

### Cosmetology: Take your first step

10 week block course with 11 credits

**Unit Standard 27644 | Level 3 | Credits 4**

**Unit Standard 28946 | Level 3 | Credits 4**

**Unit Standard 27640 | Level 2 | Credit 3**

For those who wish to learn more about the fascinating field of beauty therapy, this program is perfect. In addition to learning about current fashion trends and the significance of personal presentation at a beauty salon or clinic, students will also dig into the history of beauty therapy in this course.

Additionally, students will learn how to apply makeup and skin care tools and equipment efficiently. In addition, they will learn about the many forms, colors, and types of makeup, as well as facial features, facial shapes, and underlying skin tones.

9am - 4pm: Fridays Only

**\$499 pp plus GST**

## HOLIDAY PROGRAMME

**Our STAR school holiday programme gives students five days of campus-life experience at Elite and a chance to explore the world of beauty, while gaining extra credits!**

Students gain knowledge and skills in beauty therapy and makeup artistry, along with other elements that contribute towards their future study-pathway and career options.

Our objective is to provide a holiday programme that exposes students to alternate pathways, leading towards higher- education and a smoother transition into the workplace. Some students are more aligned to the beauty industry, others may need additional confidence and soft-skills before going out into the world. This programme can help develop various qualities for both.

Star Holiday Programme students get to have fun with our team at Elite and gain extra Level 2 credits.

**\$270 pp plus GST**

*Which includes a nail file and take home products*

| UNIT  | LEVEL | CREDIT | DESCRIPTION  |
|-------|-------|--------|--|
| 62    | 2     | 3      | Maintain personal presentation and a positive attitude in a workplace involving customer contact |
| 27640 | 2     | 3      | Demonstrate knowledge of current fashion trends and history related to beauty therapy            |

**SAVE \$\$\$**
